47TH ANNUAL ENGITECH CAREER FAIR

Presented by:
Engineering Student Council
Henry Samueli School of Engineering

EVENT DETAILS

THE 47TH ANNUAL ENGITECH CAREER FAIR

This year's EngiTECH career fair will be held on Wednesday, February 26th, 2020 from 9:00 AM to 3:00 PM at the UC Irvine's Pacific Ballroom. Participation in this event will give you access to students from one of the largest producers of qualified engineers and computer scientists in the country. The Henry Samueli School of Engineering boasts a diverse group of engineering students who have been trained by hands-on learning, cutting-edge research and internships from the moment they start their collegiate career.

With over 400 students attending every year, participating in this career fair would be greatly beneficial to any company.

ENGINEERING STUDENT COUNCIL

EngiTECH is hosted by the Engineering Student Council (ESC), a non-profit, student-run organization established to represent UC Irvine's engineering student body. Our goal is to serve as the central network of communication and support between students, alumni, faculty, and industry professionals, in order to facilitate a culture of successful and innovative engineers. We are proud to have received three outstanding awards from the Associated Students of University of California, Irvine. From among over 500 organizations on campus, ESC was also recognized as the Most Outstanding Student Organization.

If you have any further questions, please contact the Vice President of External Affairs, Ehsan Alipourjeddi, or our Corporate Affairs Co-Directors, Hayk Ghazaryan and Ethan Smiggs, at engitech@uci.edu.

Thank you in advance for your support. We look forward to seeing you at our EngiTECH Career Fairs!

Sincerely,

Ehsan Alipourjeddi, Hayk Ghazaryan and Ethan Smiggs

If you have any questions or concerns about EngiTECH, feel free to email the Corporate Affairs Co-Directors, Hayk Ghazaryan and Ethan Smiggs, at engitech@uci.edu.

Thank you for your interest in attending Engineering Student Council's 47th Annual Winter EngiTECH! We look forward to your participation.

TESTIMONIALS

"There is no better place than EngiTECH to find excellent engineering students who are ready to be leaders."

Gregory Washington

Stacey Nicholas Dean of Engineering

Henry Samueli School of Engineering

"As alumni, our founders are well-acquainted with the high quality of UCI and its students. We have hired dozens of students from UCI, and plan to continue that recruiting strategy as we continue to grow."

Heather Gross
