EVENT DETAILS

THE 46TH ANNUAL ENGITECH CAREER FAIR

The E-Week EngiTECH career fair will be held on Wednesday, February 27th, 2019 from 9:00 AM to 3:00 PM at the UC Irvine Doheny Beach Room.

Participation in this event will give you access to students from one of the largest producer of engineers and computer scientists in the country. The Henry Samueli School of Engineering boasts a diverse group of engineering students who have been trained by hands-on learning, cutting-edge research, and internships from the very moment they start their collegiate career. As a testament to the excellence and innovation that thrives on our campus, over 800 students have taken part in our freshmen engineering class since it was founded 4 years ago.

ENGINEERING STUDENT COUNCIL

EngiTECH is hosted by the Engineering Student Council (ESC), a non-profit, student-run organization established to represent UC Irvine's engineering student body. Our goal is to serve as the central network of communication and support between students, alumni, faculty, and industry professionals to facilitate a culture of successful and innovative engineering. We are proud to have recently received three outstanding awards from the Associated Students of University of California, Irvine. Among over 500 organizations on campus, ESC was recognized as the Most Outstanding Student Organization.

If you have any further questions, please contact our Corporate Affairs Co-Directors, Mira Asad and David Casaburi, at engitech@uci.edu. Thank you in advance for your support. We look forward to seeing you at our EngiTECH Career Fairs!

Sincerely,
Mira Asad & David Casaburi

Please note that breakfast and lunch will both be provided on the day of the event. We are happy to accommodate any special dietary restrictions needed; however, such restrictions must be indicated upon registration prior to the event.

Parking will be provided at the Student Center Parking Structure at the intersection of West Peltason and Pereira Drive. Each vehicle must receive a parking pass from the kiosk at the structure entrance. Staff will assist you with transporting any large or heavy items, and will direct you to the site of Winter EngiTECH.

If you have any questions or concerns about EngiTECH, feel free to email the Corporate Affairs Co-Directors, Mira Asad and David Casaburi, at engitech@uci.edu.

Thank you for your interest in attending Engineering Student Council's 46th Annual Winter EngiTECH! We look forward to your participation.

TESTIMONIALS

"There is no better place than EngiTECH to find excellent engineering students who are ready to be leaders."
Gregory Washington
Stacey Nicholas Dean of Engineering
Henry Samueli School of Engineering

"As alumni, our founders are well-acquainted with the high quality of UCI and its students. We have hired dozens of students from UCI, and plan to continue that recruiting strategy as we continue to grow."
Heather Gross
Recruitment Manager
